Mr. Allen W. Dulles  
Washington, D. C.

Dear Allen:

Thank you very much indeed for your kindness in writing so generous a letter on my behalf to the Century Association. I am most grateful and appreciative.

All goes well here for the moment. Joanne assures me that you have a very handsome grandson and namesake whom I hope soon to have the pleasure of seeing. We are both practicing up on our tennis in preparation for a foursome this summer in the happy event that you come this way.

Please give our very warmest regards to Clover.

Faithfully yours,

John A. Bross
